### **Applicant's Obligations**

1. Coordinate the work with all public and private utilities which could be affected, and protect all utilities from damage. Public utility companies must be contacted in order that they may visibly mark any underground services located in the area.
2. Applicant is entirely responsible for costs associated with the restoration of anything disturbed within the ROAD/STREET right-of-way.
3. Notification of Police, Fire Department and Rescue Squad of any blockage of a road/street 48 hours IN ADVANCE.
4. Notification to the Municipal Engineer 48 hours IN ADVANCE of the start of work.

*I certify that I have received and read Chapter XVI of the Revised General Ordinances and will abide by all provisions of that Chapter as applicable. If Bond has been waived because the applicant is a Public Utility, I understand the Town shall be held harmless from all loss, damage, claim or expense as a result of issuing this permit.*
